### Main Engine

|                      |                              |
|----------------------|------------------------------|
| Engine Make          | mitsui-man B&W D.E. 6S50MC-C |
| Fuel                 | 380 cst                      |
| Bunker Tank Capacity | 2,210 MT                     |

### Hold Dimensions

|       |                                 |
|-------|---------------------------------|
| No. 1 | 27.4m x 13.8m (fwd) 24.0m (aft) |
| No. 2 | 28.2m x 24.0m                   |
| No. 3 | 27.4m x 24.0m                   |
| No. 4 | 27.4m x 24.0m                   |
| No. 5 | 27.4m x 24.0m(fwd) 10.8m(aft)   |

### Hull Dimensions and Tonnage

|                   |           |
|-------------------|-----------|
| Length overall    | 189.99 m  |
| L.B.P             | 185.6 m   |
| Beam              | 32.26 m   |
| Deadweight Summer | 58,058 MT |
| Draught Summer    | 12.826 m  |
| TPC               | 57.46     |
| GT / NT           |           |
| Moulded Depth     | 18.0 m    |
| KTM               | 48.42 m   |

### Hull and Class

|                        |  |
|------------------------|--|
| Classification Society | NKK  |
| P&I Club               | Gard   |
| Ice Class              | No   |
| Class Notation         | NS*(CSR, BC-A, BC-XII, GRAB20),(ESP), MNS*, MO |

### Speed and Consumption

|                   |                                     |
|-------------------|-------------------------------------|
| Speed             | abt 13.5 knots Laden / 14.0 Ballast |
| Consumption       | about 32mt IFO + abt 0.1 MDO (aux)  |
| In Port (Idle)    | abt 3.3 mt IFO + abt 0.1 mt MDO     |
| In Port (working) | abt 5.1 mt IFO + abt 0.1 mt MDO     |

### Cargo Handling

|                  |  |
|------------------|--|
| Hatch cover type | End Folding Type                       |
| Cargo Gear       | 4 x 30 mt<br>Mitsubishi Hyd Deck Crane |
| Grabs            | Fitted                                 |

### Grain Capacity

|       |          |            |
|-------|----------|------------|
| No. 1 | 12,720.4 | Cu. Metres |
| No. 2 | 15,378.0 | Cu. Metres |
| No. 3 | 15,320.4 | Cu. Metres |
| No. 4 | 15,384.8 | Cu. Metres |
| No. 5 | 13,886.1 | Cu. Metres |
| Total | 72,689.7 | Cu. Metres |
